To our Neighborhood Businesses:

The students at Desert Heights Charter School would like your company to consider making a donation to our school, so that we can purchase a playground. We currently have a small playground for the Kindergarten classes that is gated just for them. The First through Eighth Graders have a basketball court and two tetherball poles.

During 2006/2007, our small charter school raised \$10,000 strictly through school fundraisers such as Spaghetti Dinners, Movie Nights, Candles Sales, etc. We hoped to get our playground installed this summer. Unfortunately, while searching for the perfect playground, we realized that \$10,000 is just not enough. An age-appropriate playground (with slides just for fun and monkey bars for physical fitness) actually costs about \$20,000, not including wood chips or a shade to keep us out of the hot Arizona sun.

We hope you will consider making a tax-deductible donation to help us purchase our playground. We will gladly provide you with a receipt. Or if a monetary donation cannot be made, would you be able/willing to provide an item that we can raffle off in the Fall? Thank you in advance for your time and consideration. We greatly appreciate any help you can provide.

Sincerely,

Ben Jacob
