Cafeteria at 5:30 pm.

SUNWISE SHADE PROJECT

Mrs. Johnston is heading up this committee to apply for a grant from the Shilling Foundation for a Sunshade to go over the new playground.
We discussed and approved a budget for making copies and buying prizes to award. It was motioned that we adopt the Sunwise program as written (Motion was approved unanimously)

The Grant paperwork needs to be submitted by December 31, 2007 to be considered for next year. Mrs. Johnston will meet with Ms. Gue to get that started.

It was also discussed that the task force would discuss ways to get support for the new sunshade from Talavi Business park membership in advance of contacting Talavi Management for approval. Talavi has a general meeting in January and someone from the PTSA or Task force should plan to attend.
