Maybe with an optional gift wrapping for a donation
Chuckie Cheese- successful
BUDGET.. Reviewed budget, (still a deficit) hope some fundraisers will prove more successful than we anticipate.. The teacher stipend offer will end on Oct 15th. Receipts must be turned in by Nov 15th. Preschool will be treated just like the school. We are looking some child sized furniture for the front office.

Fundraisers.. Smencils, another Barnes & Noble night, concession stands at the sports games (we think the student council was wanting to so this), Enjoy the City books \$10.. Similar to the Entertainment books only better (in our opinion) and cheaper. Some people showed interest in some "green fundraisers" Lacie to look into whether we can buy a smaller order of the recycled bags. Becky looking for a new recycle program (the dumpsters were taken away). Chelsey said the PTSA could keep the money if we found a new program.

Michelle Robles motion to approve the budget, Chelsey Peitz second, motion passes.

Upcoming events: Goodies for Grandparents 9/11 D-Backs game 9/19 Gold Canyon Candles (going on now) Restaurant night- Sept 16.. Panda Express on 101 and 59th ave Open floor

Movie Night/ Red Ribbon... Nicole asked how the teachers can help. We need concession stands, volunteers, school picks the movie and pays for the rights. Glow stuff (check with Paula to see how much she used to order)
